PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished to the stockholders of Cigar King Corporation, a Nevada corporation, in connection with the solicitation by our Board of Directors of proxies in the accompanying form for use in voting at the Annual Meeting of Stockholders to be held on Wednesday, August 7, 2002 at 11 a.m., Pacific Daylight Time, at the offices of Fasken Martineau DuMoulin, 2100-1075 West Georgia Street, Vancouver, British Columbia, Canada, and any adjournment or postponement thereof. The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the Annual Meeting.

REVOCABILITY OF PROXY

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by: (1) delivering to us (to the attention of our Chief Financial Officer and Secretary) a written notice of revocation or a duly executed proxy bearing a later date or (2) attending the Annual Meeting and voting in person.

SOLICITATION AND VOTING PROCEDURES

The solicitation of proxies will be conducted primarily by mail, and we will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others who forward solicitation materials to beneficial owners of our Common Stock. In addition to the solicitation of proxies by mail, we may solicit proxies by personal interview, telephone or by facsimile through our officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on July 12, 2002 has been fixed as the record date for determining the holders of shares of our Common Stock entitled to notice of and to vote at the Annual Meeting. As of July 12, 2002, there were 10,535,000 shares of our Common Stock outstanding and entitled to vote at the Annual Meeting, held by approximately 50 stockholders of record. The presence at the Annual Meeting of a majority, or at least 5,267,501 of these shares of our Common Stock, either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Each holder of shares of our Common Stock issued and outstanding on July 12, 2002 is entitled to one vote for each such share held on each matter of business to be considered at the Annual Meeting.

If any stockholder is unable to attend the Annual Meeting, such stockholder may vote by proxy. If a proxy is properly executed and returned to us in time to be voted at the Annual Meeting, the shares it represents will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the inspectors of election appointed for the meeting and will determine whether or not a quorum is present. The inspectors of election will treat abstentions and broker "non-votes" as shares that are present and entitled to vote for purposes of determining a quorum, but as not voted for purposes of determining the approval of any matter submitted to the stockholders for a vote. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner.

PROPOSAL NO. 1 TO ELECT FOUR DIRECTORS

Our Articles of Incorporation authorize the number of directors to be not less than one or more than eight. Our Board of Directors currently consists of four members.

At the Annual Meeting, our stockholders will elect four directors, who will serve until the 2003 annual meeting of stockholders or until such director's earlier resignation or removal.

If any nominee is unable or unwilling to serve as a director, proxies may be voted for a substitute nominee designated by the present Board of Directors. Our Board of Directors has no reason to believe that the persons named below will be unable or unwilling to serve as nominees or as directors if elected. Proxies received will be voted "FOR" the election of all nominees unless otherwise directed. Pursuant to applicable Nevada corporation law, assuming the presence of a quorum, four directors will be elected from among those persons duly nominated for such positions by a majority of the votes actually cast by stockholders entitled to vote at the meeting who are present in person or by proxy.

Director Compensation

Directors currently do not receive cash compensation for their services as members of the Board of Directors, although members may be reimbursed for expenses in connection with attendance at Board of Directors, committee, and specific Cigar King business meetings. Option grants to directors are at the discretion of the Board of Directors, and we have no specific plans regarding amounts to be granted to our directors in the future.

PROPOSAL NO. 2

TO APPROVE A PROPOSAL, UNANIMOUSLY ADOPTED BY THE BOARD OF DIRECTORS, TO AMEND AND RESTATE THE COMPANY'S ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO "STARBERRYS CORPORATION" AND MAKE CERTAIN OTHER CHANGES

The Board of Directors has unanimously adopted a resolution approving, and are recommending to the Company's stockholders for their approval, a proposal to amend and restate the Articles of Incorporation of the Company to change the name of the Company to "Starberrys Corporation" and to authorize a class of "blank check" Preferred Stock.

The complete text of the proposed Amended and Restated Articles of Incorporation providing for these changes is attached as *Exhibit A*. Please read *Exhibit A* in its entirety.

Reasons for the Amendment and Restatement of the Articles of Incorporation

Company Name Change

The Company has acquired the rights to the Starberrys restaurant concept and plans to open the first of a series of restaurants under that name in Las Vegas, Nevada. To more closely identify the Company with the Starberrys restaurants we plan to develop, we have determined to change our corporate name from "Cigar King Corporation" to "Starberrys Corporation". The Company will no longer be pursuing its original business model of merchandising cigars, and does not believe that continued use of the

4

"Cigar King" name will advance its branding strategy for the family-oriented Starberrys restaurants. For the text of the proposed change, see Article I of the proposed Amended and Restated Articles of Incorporation attached as *Exhibit A*.

New Preferred Stock

The proposed Amended and Restated Articles of Incorporation would also create a new class of "blank check" Preferred Stock that will be available for issuance in the future without any further action or approval by stockholders. For the text of the proposed change, see Article VI of the proposed Amended and Restated Articles of Incorporation attached as *Exhibit A*.

The Preferred Stock will not carry particular rights, privileges and preferences when initially authorized. Rather, such terms will be specified by the Board of Directors at the time it acts to create a specific series of Preferred Stock for issuance out of the available authorized Preferred Stock. We currently have 200,000,000 shares of Common Stock authorized and no shares of Preferred Stock authorized. If the amendment and restatement is approved by stockholders at the Annual Meeting, 50,000,000 shares of Preferred Stock will be authorized and available for later issuances at the discretion of the Board of Directors.

The Preferred Stock would have such preferences, voting powers, qualifications, and special or relative rights or privileges as the Board of Directors may designate for each series thereof issued from time to time. Upon issuance, subject to the Company's Articles of Incorporation, the Preferred Stock could rank senior to the Common Stock, as the Board of Directors may determine. The Board of Directors, without any further action by the stockholders, would be able to issue the Preferred Stock for such purposes and for such consideration as it may determine.

The Board of Directors believes it is in the Company's best interests to create the Preferred Stock. The Board of Directors believes that the creation of the Preferred Stock enhances the Company's flexibility in connection with possible future actions, such as financings, mergers, acquisitions or other corporate purposes. The Board of Directors also believes that the creation of the Preferred Stock will better position the Company to consider and respond to future business opportunities and needs. By approving the creation of the Preferred Stock, the Company will be able to issue the Preferred Stock without the expense and delay of a special stockholders' meeting.

If this proposal is adopted, the Board of Directors will be authorized to issue the Preferred Stock, from time to time, in one or more series, with such preferences, voting powers, qualifications, and special or relative rights or privileges as the Board of Directors, subject to limitations, may determine. The shares of Preferred Stock would be available for issuance without any further action by the stockholders, subject to limitations. There are no current plans to issue Preferred Stock.

The proposed creation of the Preferred Stock is not intended to prevent or impede a change in control of the Company. Further, the Company is not aware of any current effort to acquire control of the Company. However, the issuance of the Preferred Stock could be used to create voting impediments and to make it more difficult for persons seeking to effect a merger or otherwise gain control of the Company. The issuance of the Preferred Stock could affect the holders of Common Stock by, among other things, restricting dividends payable on Common Stock, diluting the voting power of Common Stock and limiting the ability of the holders of Common Stock to participate in any liquidation of the Company.

Required Vote

THE AFFIRMATIVE VOTE OF A MAJORITY OF ALL OUTSTANDING COMMON STOCK ENTITLED TO VOTE AT THE ANNUAL MEETING IS REQUIRED TO APPROVE THE FOREGOING PROPOSAL.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE PROPOSAL TO AMEND AND RESTATE THE COMPANY'S ARTICLES OF INCORPORATION.

PROPOSAL NO. 3 TO RATIFY AND APPROVE PREVIOUSLY GRANTED STOCK OPTIONS

On June 6, 2002, the Board of Directors granted the following directors, officers and key consultants the number of stock options listed opposite their names in the table below. All of these options have an exercise price of \$1.00 per share and expire on June 6, 2005. These options vest in equal proportions of one-twelfth ($1/12$) on the first day of each calendar quarter, commencing the October to December 2002 quarter, over the next 12 calendar quarters.

Name	Options Granted
John H. Goodwin, Director & Officer	300,000
Wesley V. Louie, Director	210,000
Terry H. McKay, Director	210,000
Kenneth R. Tolmie, Officer	210,000
Roger J. Duncan, Consultant	210,000

We are seeking stockholder ratification and approval of these grants so that the grants will be exempt from Section 16(b) of the Securities Exchange Act of 1934 by reason of Rule 16b-3 thereunder, which provides that any transaction involving a grant, award or other acquisition from the issuer shall be exempt if the transaction is approved or ratified by the affirmative vote of the holders of a majority of the securities of the issuer present or represented, and entitled to vote at the next annual meeting of stockholders after the grants were made. If the grants are exempted from Section 16(b), then the acquisition of the options will not be matchable against another acquisition or disposition of the Company's equity securities by the officer or director within a six-month period for purposes of the short-swing profit forfeiture provisions under Section 16(b).

Required Vote

THE AFFIRMATIVE VOTE OF A MAJORITY OF ALL OUTSTANDING COMMON STOCK ENTITLED TO VOTE AT THE ANNUAL MEETING IS REQUIRED TO APPROVE THE FOREGOING PROPOSAL.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF THE PROPOSAL TO RATIFY AND APPROVE THE IDENTIFIED PREVIOUSLY GRANTED STOCK OPTIONS.

PROPOSAL NO. 4 TO RATIFY THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors believe that it is in the Company's best interest to change the firm selected to audit the financial statements of the Company for the fiscal year ended September 30, 2002 from Anderson, Anderson & Strong to PricewaterhouseCoopers. This nomination is being presented to the stockholders for ratification at the Annual Meeting. PricewaterhouseCoopers have not previously audited the Company's financial statements whereas, since the Company's incorporation in 1998, the firm of Andersen, Andersen & Strong, located in Salt Lake City, Utah has audited the Company's financial statements. Representatives of neither PricewaterhouseCoopers nor Andersen, Andersen & Strong are expected to be present at the meeting.

The Board of Directors is recommending this change due to the more diverse geographic nature of the anticipated operations of the Company in the future. A larger more international firm, like PricewaterhouseCoopers, with offices in both Vancouver, the anticipated location of the Company's corporate and administrative offices, and principal cities in the United States where the Company is planning to do business in the future is better suited to conduct the audit and other accounting advisory services that will be required by the Company than a much smaller firm with a geographic base unconnected to the Company's principal current and anticipated business locations.

Andersen, Andersen & Strong was dismissed on July 12, 2002. PricewaterhouseCoopers was engaged on July 12, 2002.

Andersen, Andersen & Strong's reports on the financial statements for the fiscal years ended September 30, 2000 and September 30, 2001 each contained a qualification stating that there was substantial doubt about the Company's ability to continue as a going concern. Other than these going concern qualifications, Andersen, Andersen & Strong's reports on the financial statements for the past two years did not contain an adverse opinion or disclaimer of opinion, and were not modified as to uncertainty, audit scope or accounting principles. There were no disagreements with Andersen, Andersen & Strong on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Andersen, Andersen & Strong's satisfaction, would have caused it to make reference to the subject matter of the disagreement(s) in connection with any of its reports.

Audit Fees

Audit fees billed to the Company by Andersen, Andersen & Strong during the Company's 2001 fiscal year for review of the Company's annual financial statements and those financial statements included in the Company's quarterly reports on Form 10-Q totaled \$2,900.

Financial Information Systems Design and Implementation Fees

The Company did not engage Andersen, Andersen & Strong to provide advice to the Company regarding financial information systems design and implementation during the fiscal year ended September 30, 2001. Accordingly, the Board of Directors did not need to consider whether providing such services would have been compatible with maintaining Andersen, Andersen & Strong's independence.

All Other Fees

There were no fees billed to the Company for all other non-audit services rendered to the Company by Andersen, Andersen & Strong during the Company's fiscal year ended September 30, 2001. Accordingly, the Board of Directors did not need to consider whether providing such services would have been compatible with maintaining Andersen, Andersen & Strong's independence.

Stockholder ratification of the selection of PricewaterhouseCoopers as the Company's independent public accountants is not required by the Company's By-Laws or any other applicable legal requirement. However, the Board is submitting the selection of PricewaterhouseCoopers to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Required Vote

SUBJECT TO THE STATEMENTS MADE IN THE PRECEDING PARAGRAPH, THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE SHARES REPRESENTED AND ENTITLED TO VOTE AT THE MEETING WILL BE REQUIRED TO APPROVE THE FOREGOING PROPOSAL.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE 2002 FISCAL YEAR.

PRINCIPAL STOCKHOLDERS

The following table sets forth certain information known to us with respect to beneficial ownership of our Common Stock as of July 25, 2002 by:

- each person that to our knowledge beneficially owns 5% or more of our outstanding Common Stock;
- each of our directors;
- the Named Executive Officer; and
- all of our directors and executive officers as a group.

In general, a person is deemed to be a "beneficial owner" of a security if that person has or shares the power to vote or direct the voting of such security, or the power to dispose or direct the disposition of such security. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options held by that person that are currently exercisable or exercisable within 60 days of July 25, 2002 are deemed outstanding. Percentage of beneficial ownership is based upon 10,535,000 shares of Common Stock outstanding at July 25, 2002. To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person named in the table has sole voting and investment power with respect to the shares set forth opposite such person's name.

In addition, the Corporation shall be entitled to exercise any and all other powers authorized or permitted under any laws that now may be or hereafter become applicable or available to this Corporation.

**ARTICLE VI
SHARES**

Section 1. *Authorized Capital.* The Corporation is authorized to issue two classes of capital stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares of capital stock which this Corporation is authorized to issue is Two Hundred Million (200,000,000) shares of Common Stock, par value \$.001 per share, and Fifty Million (50,000,000) shares of Preferred Stock, par value \$.001 per share. The Common Stock is subject to the rights and preferences of the Preferred Stock as set forth below.

Section 2. *Issuance of Preferred Stock in Series.* The Preferred Stock may be issued from time to time in one or more series in any manner permitted by law and the provisions of these Articles of Incorporation, as determined from time to time by the Board of Directors of the Corporation and stated in the resolution or resolutions providing for the issuance thereof, prior to the issuance of any shares thereof. The Board of Directors shall have the authority to fix and determine and to amend, subject to these provisions, the designation, preferences, limitations and relative rights of the shares (including, without limitation, such matters as dividends, redemption, liquidation, conversion and voting) of any series that is wholly unissued or to be established. Unless otherwise specifically provided in the resolution establishing any series, the Board of Directors shall further have the authority, after the issuance of shares of a series whose number it has designated, to amend the resolution establishing such series to decrease the number of shares of that series, but not below the number of shares of such series then outstanding.

Section 3. *Consideration for Shares.* The capital stock of the Corporation shall be issued for such consideration as shall be fixed from time to time by the Board of Directors. In the absence of fraud, the judgment of the Directors as to the value of any property or services received in full or partial payment for shares shall be conclusive.

Section 4. *Dividends*. Dividends in cash, property or shares of the Corporation may be paid, if, as and when declared by the Board of Directors, out of funds of the Corporation to the extent and in the manner permitted by law.

ARTICLE VII ASSESSMENT OF STOCK

The capital stock of this Corporation, after the amount of the subscription price has been fully paid in, shall not be assessable for any purpose, and no stock issued as fully paid up shall ever be assessable or assessed. The holders of such stock shall not be individually responsible for the debts, contracts, or liabilities of the Corporation and shall not be liable for assessments to restore impairments in the capital of the Corporation.

ARTICLE VIII DIRECTORS

The business of the Corporation shall be managed by a Board of Directors. The number of directors constituting the Board of Directors may be increased or decreased from time to time in the manner specified in the Bylaws of this Corporation; provided, however, that the number shall not be less than one (1) nor more than eight (8), and shall not be increased by more than three directors in any calendar year. In case of a vacancy in the Board of Directors, including those caused by an increase in the number of directors, a majority of the remaining directors, though less than a quorum, may appoint someone to fill such vacancy and such appointed director or directors shall serve until the election and qualification of a successor at the next annual meeting of the stockholders or until a special meeting is called for the purpose of electing director(s) for that position(s).

ARTICLE IX LIMITATION OF LIABILITY OF OFFICERS AND DIRECTORS

The personal liability of all of the officers and directors of the corporation is hereby eliminated to the fullest extent allowed as provided by the Nevada General Corporation Law, as the same may be supplemented and amended.

ARTICLE X INDEMNIFICATION AND INSURANCE

Section 1. A director of this Corporation shall not be personally liable to the corporation or its stockholders for monetary damages for conduct as a director, except for liability of the director: (i) for

acts or omissions that involve intentional misconduct by the director or a knowing violation of law by the director, (ii) for conduct violating the Nevada General Corporation Law, or (iii) for any transaction from which the director will personally receive a benefit in money, property or services to which the director is not legally entitled. If the Nevada General Corporation Law is amended in the future to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of this Corporation shall be eliminated or limited to the full extent permitted by the Nevada General Corporation Law, as so amended, without any requirement of further action by the stockholders.

Section 2. The Corporation shall indemnify any individual made a party to a proceeding because that individual is or was a director of the Corporation and shall advance or reimburse the reasonable expenses incurred by the individual in advance of final disposition of the proceeding, without regard to the limitations in the Nevada General Corporation Law, or any other limitation which may hereafter be enacted, to the extent such limitation may be disregarded if authorized by the Articles of Incorporation or as permitted by applicable law.

Section 3. Any repeal or modification of this Article by the stockholders of this Corporation shall not adversely affect any right of any individual who is or was a director of the Corporation, which existed at the time of such repeal or modification.

Section 4. To the fullest extent provided by Nevada General Corporation Law, the Corporation also may indemnify any other person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and that, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

Section 5. The Corporation may purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise for any liability asserted against him and liability and expenses incurred by him in his capacity as a director, officer, employee or agent, or arising out of his status as such, whether or not the Corporation has the authority to indemnify him against such liability and expenses.

ARTICLE XI PLACE OF MEETING; CORPORATE BOOKS

Subject to the laws of the State of Nevada, the stockholders and the Directors shall have power to hold their meetings, and the Directors shall have power to have an office or offices and to maintain the books of the Corporation outside the State of Nevada, at such place or places as may from time to time be designated in the Bylaws or by appropriate resolution.

ARTICLE XII AMENDMENT OF ARTICLES

This Corporation reserves the right to amend, alter, change or repeal any of the provisions contained in its Articles of Incorporation in any manner now or hereafter

law. All rights of the stockholders, directors and officers of this Corporation are granted subject to this reservation.

**ARTICLE XIII
PREEMPTIVE RIGHTS**

No preemptive rights shall exist with respect to shares of stock or securities convertible into shares of stock of this Corporation.

**ARTICLE XIV
CUMULATIVE VOTING**

The stockholders of this Corporation shall not be entitled to cumulative voting at the election of any directors.

**ARTICLE XV
CONTRACTS IN WHICH DIRECTORS HAVE AN INTEREST**

No contract or other transaction between the Corporation and one or more of its directors or officers, or between the Corporation and another corporation, firm or association in which one or more of its directors or officers are directors or officers or are financially interested, is void or voidable solely for this reason or solely because any such director or officer is present at the meeting of the Board of Directors or a committee thereof which authorizes or approves the contract or transaction, or joins in the execution of a written consent which authorizes or approves the contract or transaction, or because the vote or votes of common or interested directors are counted for that purpose, if the circumstances specified in any of the following paragraphs exists:

(b) The fact of the common directorship, office or financial interest is known to the stockholders, and they approve or ratify the contract or transaction in good faith by a majority vote of stockholders holding a majority of the voting power. **ARTICLE XVI
BYLAWS**

The Board of Directors shall have the power to adopt, amend, or repeal the Bylaws of this Corporation, subject to the power of the stockholders to amend or repeal such Bylaws. The stockholders shall also have the power to adopt, amend or repeal the Bylaws of this Corporation.

**ARTICLE XVII

Except to the extent that any of the following actions are permitted to be taken solely upon approval of the Board of Directors of the Corporation without shareholder action pursuant to these Articles of Incorporation or applicable Nevada General Corporation Law, any amendment of the Articles of Incorporation or the Bylaws of the Corporation, approval of a plan of merger or share exchange, authorizing the sale, lease, exchange or other disposition of all, or substantially all of the Corporation's property, authorizing dissolution of the Corporation or any increase in the authorized or issued capital stock of the Corporation (whether pursuant to Article VI or otherwise), any cancellation, redemption or purchase by the Corporation of any of its shares, any change in the rights attached to any class of its shares, and any other reorganization of the Corporation of any nature, shall require approval by each voting group entitled to vote thereon by a simple majority of all the votes entitled to be cast by that voting group.

**ARTICLE XVIII
STOCKHOLDER VOTING ON SIGNIFICANT CORPORATE ACTION**

Any corporate action for which Nevada General Corporation Law, as then in effect, would otherwise require approval by either two-thirds vote of the stockholders of the Corporation or by a two-thirds vote of one or more voting groups shall be deemed approved by the stockholders or the voting group(s) if it is approved by the affirmative vote of the holders of a majority of shares entitled to vote or, if approval by voting groups is required, by the holders of a majority of shares of each voting group entitled to vote separately. Notwithstanding this Article, effect shall be given to any other provision of these Articles of Incorporation that specifically requires a greater vote for approval of any particular corporate action.

**ARTICLE XIX
STOCKHOLDER ACTION BY WRITTEN CONSENT**

Action required or permitted to be taken at a stockholders' meeting may be taken without a meeting or a vote if the action is taken by stockholders holding of record or otherwise entitled to vote in the aggregate not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares

entitled to vote on the action were present and voted. To the extent that Nevada General Corporation Law requires prior notice of any such action to be given to non-consenting or non-voting stockholders, written notice of such action shall be given at least five (5) days prior to the effective date of such action, unless a greater period is required by law.

**ARTICLE XX
QUORUM FOR MEETINGS OF STOCKHOLDERS**

Except with respect to any greater requirement required by Nevada General Corporation Law or the Bylaws of this Corporation, one-third of the votes entitled to be cast on a matter by the holders of shares that are entitled to vote and be counted collectively upon such matter, represented in person or by proxy, shall constitute a quorum for the transaction of business at a meeting of stockholders.
