**Know Labs Files S-1 for New Share Offering,
Seeks Uplist to NYSE American Exchange**

SEATTLE – August 3, 2022 – Know Labs, Inc. (OTCQB: KNWN) an emerging developer of non-invasive medical diagnostic technology, today announced it has filed a Form S-1 registration statement for a proposed new offering of 3 million shares of its common stock with an anticipated offering price of \$2.00 per share. Concurrent with, and as a condition to, the offering, Know Labs will apply to uplist its shares to the NYSE American Exchange.

If the uplist is approved, Know Labs shares will cease trading on the OTCQB and will commence trading on the NYSE American, under the proposed new ticker symbol “KNW.”

The company intends to use proceeds from the proposed offering for research and development, sales and marketing, general and administrative expenses, capital investments and working capital.

A registration statement relating to these securities has been filed with the Securities and Exchange Commission but has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

Boustead Securities, LLC will act as the underwriter, on a firm commitment basis, for the Know Labs offering. Copies of the preliminary prospectus, when available, may be obtained by contacting Boustead Securities, LLC, via email: offerings@boustead1828.com or by calling +1 (949) 502-4408 or standard mail at Boustead Securities, LLC, Attn: Equity Capital Markets, 6 Venture, Suite 395, Irvine, CA 92618, USA. In addition, a copy of the final prospectus relating to the offering, when available, may be obtained via the SEC's website at www.sec.gov.

About Know Labs, Inc.

Know Labs, Inc. is a development stage public company whose shares trade under the stock symbol “KNWN.” The Company’s technology uses spectroscopy to direct electromagnetic energy through a substance or material to capture a unique molecular signature. The Company refers to its technology as Bio-RFID™. The Bio-RFID technology can be integrated into a variety of wearable, mobile or bench-top form factors. This patented and patent-pending technology makes it possible to effectively identify and monitor analytes that could only previously be performed by invasive and/or expensive and time-consuming lab-based tests. The first application of our Bio-RFID technology will be in a product marketed as a non-invasive glucose monitor. It will provide the user with real-time information on blood glucose levels. This product will require U.S. Food and Drug Administration approval prior to its introduction to the market.
